New and Returning OLs!**

Summer by the Numbers

A quick overview...

- **7,514** – total number of students advised during summer orientation
- **5,489** – Pre-Orientation Advising Worksheets Uploaded – **by 48 individuals!**
- **3,060** – Students who watched Pre-Orientation Advising Videos

Major Change

- A close look at major changes in summer –
 - During Orientation Sessions (prior to 11AM of Day 2): **496** changes → **479** unique students
 - After Orientation (via Admissions, generally prompting outreach and re-advisement), prior to August 27th: **215** changes → **207** unique students
 - Total individual students who changed majors at least once: **614** (**9.5%** of total students)
 - **89** changed twice, **4** changed three times

Fall Enrollment

- Highlights of Fall 2018 enrollment –
 - **5,866** freshmen and **7,550** freshmen and new transfers were enrolled as of September 4th at 10AM
 - **1%** of these students enrolled in *less than 12 credit hours*, and **12%** enrolled in 12-14
 - **87%** of freshmen and new transfers enrolled in **15 or more credit hours!**

We will continue to employ the Pre-Orientation Advising Worksheet and Videos in Summer 2019!

We will again solicit UAN feedback on these materials in the spring—stay tuned!
