*** Students must meet all requirements for admission to USC and must be accepted through the Office of Undergraduate Admissions. Consult the University Bulletin for specific entrance requirements. Nothing in the foregoing supersedes any University, college, departmental, or programmatic regulation or policy.**

****Not all USC majors offer Transfer Advising Guides. The university's top ten transfer majors were selected for these guides.**

***** Additional courses may transfer. See additional guidance for technical college students at https://www.sc.edu/about/offices_and_divisions/undergraduate_admissions/apply/for_transfers/credits_from_sc_technical_colleges/index.php as well as program requirements at <https://academicbulletins.sc.edu/undergraduate/programs-az/> and the course equivalency transfer table at https://banner.onecarolina.sc.edu/BannerExtensibility/customPage/page/z_spg_codes-transferequiv?mepCode=COL to determine how additional courses may transfer from your institution.**

****** In Resident Requirement: The last 25% of a student's degree must be completed in residence at the University of South Carolina, and at least half of the hours in the student's major course and in the student's minor courses (if applicable) must be taken at the University.**

******* Transfer credits to USC must be from regionally accredited institutions for academic courses completed with grades of **C-** or better.**

University Requirements: Bachelor's degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the [Carolina Core](#) page on the University website.
