• **Replacement card**	$15		_____
• **Extra manual**	$100		

The SCDOT Concrete Field Technician Certification course now has 2 levels of certification:
  • Level 1 (Batching): for ready-mix concrete batch technicians.
  • Levels 1 and 2 (Inspection): for technicians and inspectors from SCDOT and consulting engineering firms.

Course Prerequisites:

  • **The mandatory Experience Form MUST be submitted to complete your registration.** This form may be found at http://go.sc.edu/scdot_certification. Registrants must be proficient with performing Form 700.04 calculations and have a minimum of 6 months of experience in concrete testing and production/construction. Tutorials for the 700.04 form are posted on our web site. Registration confirmation will not be sent until the experience form is received.
  • **Technicians pursuing recertification** must also submit the experience form, completing Option 1.

Note : Although the **ACI Concrete Field Testing Technician Grade I certification** is not necessary to register for this class, it must be obtained within 1 year of passing this class in order for us to release your SCDOT Concrete Field Technician certification. You will have 1 year to email us proof of your ACI certification after passing the class; after that, your SCDOT certification is voided.

Cancellations and substitutions may be made a minimum of 7 calendar days prior to the scheduled class.

Suggested lodgings: • Courtyard by Marriott Columbia (630 Assembly St; Columbia, SC 29208)

Payment:
Registration for SCDOT employees are direct billed to SCDOT.
*All other registrants, please pay at
https://go.sc.edu/scdot_marketplace
*$10 online credit card surcharge applied.
