

ADVANCE YOUR CAREER IN HEALTHCARE

Earn Your *Executive Track* Master of Health Administration (MHA) Degree

DESIGNED FOR WORKING PROFESSIONALS

The **Executive Track MHA** at the University of South Carolina's Arnold School of Public Health is tailored for mid-career professionals looking to deepen their leadership, policy, and management expertise without putting their careers on pause.

WHY CHOOSE USC?

Flexible In-Person Format: Classes meet one weekend per month.

Career/work-friendly Path: Complete your degree in approximately 32 months (8 semesters).

Tailored Curriculum: 45 credit hours with advanced content for experienced healthcare professionals.

Global Experience: Travel abroad in year two for hands-on learning through an international healthcare capstone.
